SYNOPSIS

URBAN RENEWAL IN NISHI-SHINJUKU

Prof Yokobori is a professor of Graduate School of Hiroshima University, living in Higashi Hiroshima City. He had worked for former Urban Development Corporation for thirty three years. From 1979 for three years, he worked as an expert on redevelopment in Indonesia. Because of his career and experience, he has given lectures to foreign participants at a number of seminars on building construction, housing development or urban development conducted by JICA or other organizations for almost twenty years.

He moved to Graduate School of Hiroshima University two years ago
