- LED illumination products

## PROFILE

### Mr. Chow Yee Hoong Managing Director of Eureka Technologies Pte Ltd

Y H Chow has more than 25 years experience in the field of electrical & electronic system for building controls. In the early 1990s, he started Eureka Technologies and pioneered the introduction of IP base networked for Hotel Guest Rooms Monitoring and Controls. Today Eureka partners include the leading manufacturer of designers switches and electrical system, GIRA, from Germany.

### Mr. Martin Fischer Export Manager of GIRA

Martin has been with GIRA for 30 years. He was involved in the introduction of many GIRA "milestones" which have a lasting positive influence in the electrical installation sector. Over the period, Martin has seen the way from the first mechanical design switches to smart home devices today.

### Mr. Thomas Lange Technical Manager of GIRA

Thomas has been with GIRA for 14 years. His responsibilities include trainings, product presentations and technical support for the GIRA Export activities. Thomas has wide working experience with EIB and Radio Bus technologies. Since 1992, Thomas has been involved with EIB technologies, when it was introduced into the market, supporting the way to the intelligent building.
