CPD PROGRAMME

SINGAPORE INSTITUTE OF ARCHITECTS

2007/018/ms/jc

SYNOPSIS

The RCS Overview Seminar is to present the regulations, guidelines, requirements, together with the rationale implemented by the various government agencies. In this seminar, the following will be presented:-

- Household/Storey Shelters & Super High-Rise Residential Buildings - What requirements have been changed in 2006?
- An Overview of LTA's Latest Revisions To Guidelines & Requirements From August 2006 to December 2006
- Revised Guidelines For Balcony and Private Enclosed Space
- Requirement of Access Route Plans and Bathroom That Can Be Retrofitted
- Green Mark Incentive Scheme (GMIS)
- Sustainable Construction

SPEAKERS' PROFILE

Mr Song Yew Kee - Since 1987, Mr Song Yew Kee has been representing Singapore Institute of Architects, working very closely with Fire Safety & Shelter Department in various committees to review the several editions of Fire Code; to prepare illustration handbooks; to draft the performance based Fire Code and to review household & storey shelters' requirements. He is currently the chairman of SIA - FSSD & Security Sub-Committee, representing SIA in FSSD Standing Committee and appointed as a member of the Fire Safety Appeals Advisory Board. Mr Song holds a Master of Fire Safety Engineering Degree, registered as a Fire Safety Engineer and a fire safety Registered Inspector. Mr Song also actively representing SIA in Spring Singapore technical committee for Lifts, Escalators & Passenger Conveyors; and work group committee for Fire Doors.

Mr Mohd Iskandar Bin Ali graduated with a Degree of Bachelor of Engineering (Civil) with Second Class Honours (Upper Division) in 1999 from the Nanyang Technological University. He has been with the Development & Building Control Division of the Land Transport Authority for more than 7 years, and has had diverse exposure in various aspects of civil engineering works related to roads & transports matters. He was a Secretary of the Chairman of the LTA Pre-Consultation Clinic, which has helped many developers and consultants in dealing with their complicated projects. He had also conducted a workshop in Year 2002 on "How to make a Quality Plan Submission on Private Street proposal". He was also a speaker in the LTA Seminar on "Street Works proposal" in Year 2003.

Mr Lee Wai Kin has a Master of Science in Urban Studies and Planning from the Massachusetts Institute of Technology, USA. He joined URA in 2000 and is currently working in the Development Control, City Section, involved in the review of Development Control policies and guidelines. Prior to the current posting, he was working in the Physical Planning Division until 2002.

Mr Yap Guan Hwa is a Senior Engineer from the Building Plan Department of the Building Plan and Management Division, BCA. He administers the provisions of the Building Control Act and the Building Control Regulations. Mr Yap has been involved in formulating the legislation for building control. He also sits in the Fire Code Review Committee and Performance Based Fire Code Committee as a member. He was one of the examiners for the paper on Professional Practice with the Board of Architects from 1985 to 1992.
