Ms Jasmine Chan
Singapore Institute of Architects
79B Neil Road, Singapore 088904

Registration will be on a First-Come-First-Served basis and will be accepted upon receipt of registration form and payment to SIA. Registration by fax will only be confirmed upon receipt of payment.

Cheque payment for this activity should not be combined with payment for other SIA events/courses.

Fees paid are non-refundable under all circumstances. Replacement of participant will be allowed only if notification is made at least 7 days before the event.

Where a Non-Member replaces a Member (must be from the same organisation) the fee difference will have to be made good to SIA prior to the event.

SYNOPSIS

Adobe® Acrobat® 3D empowers CAD, CAM, and CAE users to convert virtually any CAD file to a highly compressed 3D PDF file to enable 3D-based collaboration and CAD data interoperability.

Increase engineering productivity by sharing Adobe PDF files containing precise geometry and product manufacturing information with users of free Adobe Reader® software to mark up 3D designs, or leverage Adobe PDF files for downstream manufacturing processes without having to buy CAD translators.

Learning Objectives: Learn why Adobe PDF is the ideal format for sharing drawings and project information throughout all phases of the engineering lifecycle. Learn how to reliably create, combine, share and control PDF documents.

How would architects benefit from attendance: Architects will understand how they can increase personal and organizational productivity and efficiency, share documents more securely and improve project turnaround time by leveraging Adobe Acrobat's comprehensive document management features.

SPEAKER'S PROFILE

Mr Tony Lim

Tony Lim has been involved in the IT industry for close to 20 years, and has worked in various capacities in the enterprise management and data availability area. Currently, Tony is a Senior Consultant with Adobe Singapore's Technical Solutions Group. He is responsible for providing technical pre-sales support for Adobe's Knowledge Worker range of solutions, where he collaborates closely with the Sales and Marketing team to drive the adoption of Adobe's solutions. Tony is also a regular contributor to national weekly IT publication in Singapore.
