SYNOPSIS

In this years Designer's Forum series, we will unravel and critique the winning projects for this years SIA design award and to personally pick the brains of the architects discovering their approaches, thought process and their explorations.

Each session will feature 2-3 different projects of a common theme and exploration. How these architects had to juxtaposed the different dynamics; client, regulations, culture, climate, current global trends and anxieties, and went above and beyond to create architecture of innovatory and vibrancy.
