

The Way Forward PRACTICE CONVENTION 2009

23 & 24 February
Furama Riverfront Hotel

The **inaugural Practice Convention** serves as a “catapult of minds” on matters concerning architectural practice in Singapore as well as in the global arena. It will be an opportunity for members and architects to revisit, explore, debate, share and exchange their experiences and to engage the general memberships, especially smaller practices in addressing issues affecting the practice of architecture. It will address issues like:

Services procurement

Project Management

Globalisation and Business Development

Contract Administration

Code of Ethics

SIA Initiatives to address practice issues

Speakers will be local practitioners from larger and smaller practices and government agencies. In this first year, we are pleased to have the following speakers who will give a presentation based on the new and upcoming trends in the architectural practice.
