Episode 2) Greening the Federal Government

Could architect Thom Mayne's new San Francisco Federal Building be the prototype for tomorrow's workplace?

Episode 4) Affordable Green Housing

Third-generation developer Jonathan Rose puts sustainable homes within reach of New Yorkers living in public housing.

Episode 6) Architecture 2030

Architect-turned activist Ed Mazria founded Architecture 2030 to galvanize commitment to a carbon-neutral building sector by the year 2030.

The Singapore Institute of Architect thank Kontentreal for their permission to screen the e2 design series.

Look out for our screening of the other episodes of Season 2 in Oct 2010 during ArchiFest '10.

An outreach programme organised by SIA Green Practice Committee to engage architects in the movement towards sustainable architecture.
