

## BCA-SIA Universal Design Seminar & Site Tour 2011:

# Design & Regulations • Community & Connectivity

### About the Seminar

Jointly organised by BCA-SIA this seminar and site tour aims to heighten the awareness of UD to developers and building owners; architects and consultants; and facilities managers and building users.

The aim of the programme is to promote the adoption and execution of an inclusive approach to design through the sharing of best design practices in UD and to highlight the use of innovative details and concepts in UD award winning projects.

### About the Site Tour

The presentations are complemented by a site tour to an award winning HDB precinct which has successfully pioneered the adoption of a UD approach to design and implementation.
