IALD

An invitation to

**A presentation of the global work of the winners of 2011
International Association of Lighting Designers Annual Awards**

<http://www.iald.org/about/awards/award.asp?year=2011>

Andre Tammes, former President of the International Association of Lighting Designers (IALD), will present the winning entries for the 28th Annual IALD International Architectural Lighting Design Awards

The IALD International Lighting Design Awards honors lighting design that reaches new heights, moves beyond the ordinary, and represents excellence in aesthetic and technical design achievement. Only those projects demonstrating consistent design quality and technical expertise receive award recognition.

Anyone, with any degree of interest in architectural lighting design, should attend this presentation which promises to both demonstrate high levels of achievement and set a challenge for lighting designers and architects alike.
