## Background

BlueScope Steel Malaysia has been in operations since 1996 and is the only local manufacturer for the following leading coated steel products in the market;

- Clean COLORBOND® ULTRA steel
- ZINCALUME® steel
- TRUECORE® steel

In ensuring quality, stringent tests are conducted regularly for all our products prior to introducing it to the market. Our products of superior quality are widely used in the building construction industry of Malaysia, Singapore, Brunei and South Africa.

## Synopsis

At BlueScope Steel, we are proud to share with the industry our history and expertise of manufacturing coated steel. Visitors will experience and witness a holistic and complete process of steel coating in our plant led by our Plant Guides.

Our “**Steel Journey**” is designed with the following objectives for all our visitors;

- Knowledge about coated steel processes
- Understanding of steel application in buildings

Your safety while on site is our utmost priority!

- *Your visit to be fully accompanied by host or Plant Guides at all times*
- *Kindly ensure you adhere to the pedestrian lanes on site due to heavy moving vehicles*
- *To be geared with full Personal Protective Equipment (PPE) throughout your visit inside our manufacturing plant*
