Takashi Kinoshita

TOTO Pte. Ltd.

Project leader, International Business Coordination Division

Takashi Kinoshita has an extensive 26-year career in the sanitary ware industry. During his first 21 years, Kinoshita was in charge of the development of TOTO's signature product, the Washlet, for the Asia and Europe market. He not only played a pivotal role in the growth of its popularity in the residential sector, but in the public sector as well. Kinoshita pursued exhaustive research into the improvement of public toilets using Washlets as the catalyst. He currently serves as the project leader in the International Business Promotion Division, utilising his past experiences to further the development of the future of public toilets.
