

14th SIA Architectural Design Awards

The SIA Architectural Design Awards (SIAADA) is the most prestigious award conferred by Singapore Institute of Architects (SIA) to promote and encourage distinction in architectural design. The Awards recognises the achievements of SIA Members in their pursuit of architectural excellence and motivates architects to push the boundaries with innovative solutions. SIA hopes to imbue Members with the relentless mindset of continually achieving greater heights, leading to the vision of Singapore architecture and architects being acknowledged as world class standards. The Awards also aim to heighten the appreciation and patronage of good architectural design from both the architectural fraternity as well as the general public.

2nd SIA-Rigel Bathroom Design Awards

The SIA-Rigel Bathroom Design Awards (SIARBDA) were established to stimulate and encourage new ideas, innovations and development in the world of intelligent bathroom design. The organisers' aim is to foster greater effort and commitment to the advance of sanitary technology and design.

The lecture will feature the sharing of the design philosophies and concept by the top winning designs of the following awards:

- SIAADA: Building of the Year
- SIAADA: Best Project Under \$2 Million
- SIARBDA: Design Award (Completed Category)
