SIA Event:
Winning Design Philosophies and Concept Seminar Series 4: From Many to One - Additive Form in Recent Institutional Architecture

The lecture will feature the sharing of the design philosophies and concept by the winning designs of the 15th SIA Architectural Design Awards 2015.

15th SIA Architectural Design Awards
The SIA Architectural Design Awards (SIAADA) is the most prestigious award conferred by Singapore Institute of Architects (SIA) to promote and encourage distinction in architectural design. The Awards recognises the achievements of SIA Members in their pursuit of architectural excellence and motivates architects to push the boundaries with innovative solutions. SIA hopes to imbue Members with the relentless mindset of continually achieving greater heights, leading to the vision of Singapore architecture and architects being acknowledged as world class standards. The Awards also aim to heighten the appreciation and patronage of good architectural design from both the architectural fraternity as well as the general public.

Organized by:

Project: Al Islah Mosque

Mr Alan Tay,
Formwerkz Architects

Alan Tay is one of the founding partners of Formwerkz Architects, a practice known for its innovative and human-centric approach, rooted in the belief that architecture has the power to generate more active engagement between man and man with his environment.

Formwerkz's numerous projects have received critical acclaim both locally and internationally. Their works are featured in numerous regional and international publications. In 2010, the 3 design partners were selected by AUDE's "20 Under 45: The Next Generation" exhibition, aim to promote a greater awareness and appreciation of design excellence. The Apartment House was listed in Monocle's Singapore Survey as one of the "Best of the Modern", alongside the likes of Paul Rudolph's Colonnade and I M Pei's OCBC Bank. In 2012, Formwerkz won the Al-Islah Mosque Design Competition, jointly organised by SIA and MUIS. The new mosque aims to de-mystify a traditionally closed religious institution, positioning it as an integral part of the larger community. In 2013, The Extended House by Formwerkz won both "The Building of the Year" Award and the Design Award in the 13th SIA Design Award.

Project: Indian Heritage Centre

Mr Robert Greg Shand,
Robert Greg Shand Architects

Greg takes a holistic approach to each commission encompassing Master Planning, Architecture, Interior Design and Landscaping with a vision to create beautiful, unpretentious, low maintenance Sustainable Architecture. Natural materials, textures and lighting are carefully selected to create comfortable 'people' spaces for a contemporary lifestyle.

Gred established Robert Greg Shand Architects in 2005, with a focus on the design and delivery of bespoke architecture of the Highest Quality. A combination of being a native of New Zealand and training in Japan has helped instill a sophisticated and uncluttered aesthetic, with an emphasis on the integration of built space and nature.
