

Asia Façade & Glass Conference 2016

Introduction

Asia Façade and Glass Conference 2016 (AFGC) is a half-day conference set to engage all involved in the architecture glass industry. Geared with a series of power packed presentations and a panel discussion led by eminent speakers on the theme “**Façade & Glass Application – The ASEAN Perspective**”, the conference are expected to play host to over 350 delegates on 30 September 2016 at Marina Bay Sands, Singapore.

Held in conjunction with Architecture & Building Services 2016 (ABS), the preferred sourcing platform in Singapore and across the region that brings you 6 established exhibitions covering the entire spectrum of the architecture and building industries which incorporates architecture, facility management, LED and lighting solutions, security, fire and disaster management as well as workplace safety, the Asia Façade and Glass Conference 2016 is well set to address the core concepts behind the unique glass market, over and above to the sharing of the latest trends and updates on the dynamic façade and glass industry with building specialists, experts, professionals, engineers and more.

In view of the leading architectural markets and increasing demand for value-added glass products to better complement architectural construction and support life-style improvements, the Asia Pacific region is anticipated to continue demonstrating rapid market growth through 2020, reaching \$115.08 billion for construction glass, according to a research done by Markets and Markets.

This figure is convinced to maintain a positive outlook as sizable amount of investments are also devoted into intensive research and development programs in order to enhance utility, productivity and efficiency of such glass products.

Asia Façade and Glass Conference 2016 stepped forth at the right time as it aims to be an advocate of favourable façade and glass application to all glass industry personnel.

Seize the opportunity and rediscover the brilliance of glass!
