Venue : Grand Ballroom, Level 1, Parkroyal Collection Marina Bay, Singapore

#### Guest-of-Honour

Mr Zaqy Mohamad, Senior Minister of State for Defence & Manpower

**Don't Miss This Forum!**

**Dear REDAS MEMBERS & FRIENDS**

REDAS will be holding this year's WSH Leadership Forum on **25 July 2024 (Thursday) from 9.00am to 2.00pm** at Grand Ballroom, Level 1, Parkroyal Collection Marina Bay, 6 Raffles Boulevard, Singapore 039594.

We are honoured to have **Mr Zaqy Mohamad, Senior Minister of State for Defence & Manpower** as our Guest-Of-Honour (GOH) for this event.

Now in its 5<sup>th</sup> Year, the REDAS WSH Leadership Forum is supported by the **Workplace Safety and Health Council (WSH Council) and Building Construction Authority of Singapore (BCA)**. Themed **“WSH Regulatory Performance and Compliance”**, the forum aims to re-affirm developers' collective responsibility to instil and inspire commitment to WSH as a core value at organisation's level (from top management to workers).

Workplace safety and health requires constant and vigorous focus in order to meet targets set, from the initial planning stage through construction to final completion. As the built environment evolves and technology advances, coupled with shifting workforce demographics which presents new challenges for the construction industry, it demands a focus on a stronger rallying-call for commitment to WSH throughout the construction phase.

As a signal of strong industry leadership towards achieving a higher WSH standard for the betterment of the built environment, we will be inviting various stakeholders to participate in a **“Safety Pledge”** to demonstrate your commitment towards embracing good WSH practices and adopting good procurement practices in WSH. Collaborative leadership is a vital building block for business sustainability, fostering a trusted environment and delivering positive safety outcomes for all stakeholders.

We look forward to receiving your strong support for the forum on 25 July. The [Registration Form](#) is attached, please. For more details, please contact the REDAS Secretariat at Tel: 63366655 or email to: [redas\\_secretariat@redas.com](mailto:redas_secretariat@redas.com).

Thank you.

Yours sincerely

**Paul Lau**
