

Strata Development Management Series

Part 1 - Management Before the Constitution of The MCST

Course Overview

This online course is one of a 4-part series on the duties and responsibilities of owner developers pursuant to the Building Maintenance and Strata Management Act, and the Building Maintenance & Strata Management Regulations.

The course will provide participants an insight into the practical aspects of performance deliverables by owner developers with regards to the performance of their duties and responsibilities in the management of strata developments from Temporary Occupation Permit to post-1st Annual General Meeting of the MCST.
