

Question & Answer

	Category	Question	Response
1	Jury process	Hi, May I know if the Jury need to review and enter each part of the house during site visit? Some owners might be sensitive to access certain areas	We understand that access to certain areas of the house may at times be sensitive, and it is acceptable for architects and owners to exercise their discretion in determining which parts of the project are shown during site visit.
2	Timeline	May I know when is the last date to submit? Some of the photo taking process to getting the final photos might take quite long, hence would like to plan ahead.	Submissions close on 5 May 2026, at 11.59pm
3	Timeline	What is the registration date and submission date?	Submissions open : 6 April 2026 Submissions close: 5 May 2026
4	Submission Material	Beside jpeg images, can we also submit videos for a locally-sited project? If yes, what are the submission criteria for videos? (e.g. time limit, size limit, format etc.)	Video submissions are not accepted. Entrants may show videos as part of their presentation to the Jurors, if invited to do so.
5	Submission Material	What are the materials required to be submitted?	Submission material will be clearly stated in the Submissions portal. Please ensure that all submitted materials are anonymous. Names / Logos / Faces / Anything that tells of identity should not be included in the submitted materials.
6	Fees	What are the costs involved to submit for the design award?	For all associated fees, please refer to submissions portal
7	Eligibility	Could I check the eligibility of submissions for previous submissions. I understand that if one had submitted for the award in previous rounds, one will not be qualified for the current round. However, taking reference from other international competitions which do not have these criteria (as long as construction period is within a certain time frame), will you consider waiving this requirement?	Previously submitted entries that did not receive an SIA award remain eligible for submission. Entries that have previously won a Design Award / Honourable Mention / Merit Award in the past cycles are not eligible for entry again in the same category. Winning projects are allowed to be submitted in subsequent editions a different category.
