About the speaker, Mr Klaus Steppe

Klaus Steppe is a Lean Consultant responsible for making the clients reach their full potential utilising Lean Station technologies.

Lean Station was founded in 2015, with the goal of solving the most complex problems encountered by project teams, we were forged in an environment that required a paradigm shift in project delivery systems. Lean Station builds Lean + Digital systems called Lean PlanDo to achieve efficient and on-time project delivery of capital projects. We innovate in these broad set of areas of Lean thinking, decision systems, technology enablement and cultural transformation for small-mega companies to scale up into a Lean Enterprise globally.
