Overview

This webinar will highlight all the latest revisions to the PSSCOC, and the implications for contractors and consultants. Both the traditional build-only and the design-and-build versions of the PSSCOC will be discussed.

Current issues, such as whether the latest version of the PSSCOC has dealt with problems arising from the Covid-19 situation and claims under the Security of Payment Act for loss and expense, will also be covered.

The rationale for the changes to the PSSCOC will be explained by the BCA, while the practical implications will be highlighted by 2 experienced lawyers specializing in construction law. There will also be a panel discussion session for participants to raise their questions to the speakers and panelists which include the SISV (QS Division) President Mr Khoo Sze Boon and BCA Group Director (Business Development) Mr Tan Chee Kiat.

About the Speakers

Edwin Lee Peng Khoon
Partner of Eldan Law LLP

EDWIN LEE is one of the founding partners of Eldan Law LLP. Practising for more than 25 years, Edwin is accredited by the Singapore Academy of Law as a Senior Specialist in Construction Law.

He is cited as a leading Singapore construction law practitioner in Euromoney's Guide to the World's Leading Construction Lawyers (2017). The Chambers Asia-Pacific Guide 2017 also commended him as "an authority on domestic construction adjudications".

Edwin sits on the SMC Construction Adjudicator Accreditation Committee, which oversees the selection and assessment of adjudicators. He has conducted hundreds of adjudication cases, variously as counsel, adjudicator and review adjudicator. Edwin is also an accredited adjudicator in Malaysia.

Edwin has argued many of the landmark construction law court cases. As an active advocate, he ranks as the construction law advocate with the highest number of reported court judgments.

Apart from his active legal practice, Edwin is also an Adjunct Associate Professor with the National University of Singapore, Adjunct Assistant Professor with the Singapore University of Technology and Design, and a trainer for the Building & Construction Authority on Construction Law.

Edwin is the co-author of Confidentiality in Arbitration (2007), a general editor of the annual Singapore Construction Adjudication Review, and the Construction Law editor for the Singapore Academy of Law's online journal SAL Practitioner. He is the author of the book Building Contract Law in Singapore (2016, 3rd Edition).

Derek Loh
Partner and Head of Construction and Engineering, TSMP Law Corporation

Since commencing practice over 25 years ago, Derek Loh has focused on construction, engineering and infrastructure law in which he has built up an impressive and extensive track record.

His construction legal practice encompasses the entire spectrum from drafting of construction contracts and advising on financing structures in relation thereto, to dispute resolution, litigation and arbitrations in construction projects. He has acted for many international contractors and employers.

His projects and infrastructure work has seen him advise on and undertake drafting work for complex civil engineering contracts such as power plants, refinery plants and subway rail systems and road networks both within Singapore and regionally. He has worked on practically all variants of construction contracts and is familiar with most international construction forms.

His work has a multi-jurisdictional aspect, advising and representing clients in Hong Kong, Taiwan, India, Pakistan, Sri Lanka, Nepal, Philippines, Myanmar, Vietnam, Malaysia, Brunei, Australia and the Republic of Palau.

Derek has been named as "Leaders in their Field (Construction)" in Chambers and Partners Asia-Pacific 2018–2019, a "Recommended Lawyer (Construction)" in The Legal 500 Asia Pacific 2018–2019, a "Notable Practitioner (Construction)" in Asialaw Leading Lawyers 2020 and a "Recognized Lawyer (Construction Law)" in The Best Lawyers in Singapore 2014–2020.
